**Farmingdale Community Summit Council  
15th Annual Expo & Health Fair Scheduled for March 29th**

The Farmingdale Community Summit Council will be holding their Fifteenth Annual Expo and Health Fair on Wednesday, March 29, 2017 at the Farmingdale High School gym from 6 to 8:30PM. Representatives from many of our local service organizations and local merchants will once again be on hand to share information about what they do and what services and products they offer. "Our community is truly one that provides a world of opportunity", stated Ken Ulric, Summit President. "The Expo provides a chance for our local groups to show off what makes them and therefore our community – special".

In conjunction with the Expo & Health Fair, the PTA is once again hosting a Blood Drive during the event. The very popular "Taste of Farmingdale", highlighting our local eateries, is also returning. "The Antique Road Show" will be on hand, where you can bring your "valuable" household items to see their worth. Exhibitors will include local hospitals and doctors, nutrition counselors and wellness providers. Health Fair participants will be providing information, demonstrations and screenings.

A very special addition to this year's Expo is the Farmingdale Chamber of Commerce's Easter Egg Hunt. Candy-filled eggs can be found in baskets at various chamber member tables located throughout the Expo and the Easter Bunny will be there posing for photos with the children – bring your camera!

Those in attendance will also have the opportunity to obtain a library card, return overdue books with amnesty, register to vote, learn about local sports leagues and have their blood pressure taken. Admission is free and those who attend can win door prizes.

Tables are still available for organizations, merchants, businesses and professionals who wish to showcase themselves to the community. Please call Ken at 516-454-6813 or Email him at [summitcouncil@optonline.net](mailto:summitcouncil@optonline.net) for more information.
